Shawn - FYI, I'm going to have Pamela in OCIR share the clean copy with Arvin before we send it. Not sure if he's been looped in by OSWER or Sussman.

Mathy - Called and left me a message on how he wanted to approach. I am fine with the attachment. If you could clean it up and back around, that would be great. I am going to call Mathy in a few minutes.

Thanks - Shawn

Shawn, Not sure if Mathy reached you yet..... wanted to let you know I have no issue with the changes they are proposing to the cost estimate. If your OK I'll make the changes and produce a clean copy back to you and Jennie. Just let me know. Thanks, dennis.

Dennis:

I'll call you in a minute, but see below a comments/markup in the subject document offered by OSWER. Understand from Lisa F., that if the region is ok with these, we (HQ) are ok to proceed with getting the congressional response submitted. Understand that Mathy may also be calling Shawn about it.

Let me know if the attachment does not come thru and I'll resend.
